

Your Children Need Your Support!

Dear Parent,

Our school is part of the Big Y Education Express Program. This program helps our school get desperately needed supplies and equipment – FREE! In order to take advantage of this program, we need your help.

Please sign up to participate for Education Express either by going to the Customer Service Desk and filling out an enrollment form or by visiting www.bigy.com/education. Please click on the link to be directed to the website. Again, this program is free to you and so important to our kids. We all know school budgets have been cut and this program helps our school tremendously.

For those of you that have joined the program, please check the bottom of your receipt the next time you shop at Big Y to confirm that our school is listed as the one receiving your points. If you do not see the name of our school please sign up for the program. It's important; your kids need your support!

Please enroll in the Education Express Program and shop at Big Y and look for the specially marked items with the school bus logo that help us earn points. No need to keep receipts, your points are automatically recorded. With your support, our school can redeem the points for desperately needed educational materials that we cannot, otherwise, be able to afford to buy.

Help support your children's education today. Shop at Big Y now through September 30th to take advantage of DOUBLED POINTS! This is great news for our school and means that we can get DOUBLE the supplies and equipment for FREE!
