

BOX TOPS

It's that time of year!

I need everyone to collect Box Tops. We had a great year last school year and we would love to match that this year. \$1500.00 went toward classroom libraries, software and classroom supplies.

Same as last year, there will be one box for the school. It will be placed in the front lobby of the school. The students can put their box tops in the box. Please have their name and teacher on the bag or envelope. That way I can keep track of the top 3 student collectors and the top 3 classes. They will be collected the entire school year, like last year.

Thank you for your help. This is such an easy way to get money for our school and with so little effort.

Keep collecting!
