

Dear Parents/Guardians,

Please be advised that the 2008-2009 School Bus Routes Schedule Brochure will be the final edition of that publication. Effective for the 2009-2010 school year, school bus routes for all public and private schools will be available via our website, www.trumbullps.org. By posting the information on our website, we will be able to ensure that the routes are as up to date as possible for the first day of school. This approach will also allow us more time to make adjustments and address routing changes throughout the summer by not having to meet early newspaper publication deadlines. In the event you do not have access to the internet, please note that all bus routes will also be posted at your child's school.

If you have any questions or concerns in this regard, please contact the Transportation Department @ 452-4321.

Thank you,
The Transportation Department
