

CELEBRATION OF THE ARTS

Dear Families,

Daniels Farm School will once again host its ***Annual Celebration of the Arts Day on Friday, April 9, 2010.*** We are happy to be able to provide our students with t-shirts to commemorate the day and to protect their clothing from the many art materials with which they will be working. The t-shirts will also be color coordinated with their Field Day team so that your child will be able to wear their shirt for Field Day.

Please select the shirt size (Child or Adult) you would like and return to the DFS office in an envelope marked "**Arts Day T-Shirts.**" Please fill out a separate form for each DFS student. **We must receive your order by February 12th in order to accommodate your request.** If we do not receive your order, your child will be provided a t-shirt using our best guess for size. Any questions please contact kderienzo@charter.net or call Krista DeRienzo at 452-0881. Thank you.

Child's Name _____

Teacher _____

Child's Small (6-8) _____

Child's Medium (10-12) _____
