

## Here are a few EASY WAYS TO RAISE MONIES FOR HILLCREST

## BOX TOPS for EDUCATION

We are only 1/3 of our way towards our \$500 goal for the year!

The **Box Tops** program entitles Hillcrest to receive \$.10/Top and when added together over the year has allowed HMS to purchase educational items, such as last year's copier/scanner for the conference room, that otherwise would not be budgeted for by our school system.

Box Tops for Education labels are located on such brands as Betty Crocker, General Mills, Pillsbury, Hefty, Ziploc, and many other brands - just look for the logo while shopping!!

The cutoff date for this year's program is February 28th, so keep clipping!!

---

## STOP & SHOP A+ BONUS BUCKS PROGRAM

Hillcrest Middle School is fortunate to have become involved in the **Stop & Shop A+ Bonus Bucks** program. This is a great way to earn extra dollars to purchase many different unbudgeted "wish list" items which will benefit our students and staff.

It's very simple to get started! Simply go to the **Stop & Shop A+ Bonus Bucks** website and enter your **Stop & Shop** card number along with the HMS code of **07046**. Then just keep shopping!

Each dollar purchase made is matched by Stop & Shop (up to a specified monthly total) and credited back to HMS at the end of each month. This program runs through the end of March, so sign up today to help HMS earn supplemental dollars for our students and staff!

## BIG Y EXPRESS SAVINGS CLUB

Shop Big Y Supermarkets and use your Big Y Express Savings Club card to purchase items designated with the Education Express logo. Big Y will credit HMS with valuable points enabling the school to purchase an array of various equipment from their scholastic catalog.

---

Another way to raise monies to purchase such items as computers, audio visual equipment, books, classroom supplies and more is to designate Hillcrest as your reward recipient when you open a Target charge card. Target will donate 1% of your purchase dollars directly back to HMS. Grandparents, friends and neighbors are all welcome to participate in the program. The more people we involve, the harder the program works for us.
