Hillcrest Ski/Snowboard

Equipment Drop-Off Information

Parents; please remember that the equipment drop off this year is between 1:30 and 2:30 pm in the rear of the school. Chaperones, please note that we need to have you at Hillcrest Middle School at 1:30 pm to assist in the loading of the equipment onto the buses. Remember to park in front of the school since that is where we will be dropped off at the end of the night.

You must be on time!! The buses will leave promptly at 2:45 pm. There will be a chaperone at each bus to check your child's name off the equipment drop off sheet. Please make sure to have your child's name checked off the list once the equipment has been loaded onto the bus. Each piece of your child's equipment must be labeled with their name as well.

Important Chaperone Information

Please note that like last year, we only have 3 buses, one for each grade. Therefore the number of chaperones we can put on certain buses are less. Note that all eligible chaperones are included in at least one of their requested trips - as such, nobody was excluded. There are many parents that requested to be chaperones but are not PTA members which is a requirement to chaperone a PTA event. Only 34% of the parents requesting to chaperone were eligible. Please go to this link to join the PTA and be considered for a future trip!

Return to School

We will return to the school between 9:30 and 10:00 pm. Do not park in the front of the school bus drop off lane. That is where we need to pull the buses in to park. Remember to retrieve your child's backpack from the front of the school. We will have a volunteer line them up before we arrive. The children will be able to leave the buses once the chaperone on the bus has determined that the bus is clean of all garbage. Please understand and be patient while this takes place.

We are looking forward to a great ski/snowboard club experience for all!!!

Thanks!
