

TRUMBULL BOARD OF EDUCATION
2008-09 GOALS

Goal 1 Provide Support for Enhanced Student Achievement

- Further the articulation dissemination, and implementation of district priorities
- Support district-wide professional development
- Promote increased parent and community involvement
- Hold regular meetings of Board Curriculum Committee
- Emphasize standardized assessments, such as CMT/CAPT
- Review regular reports/updates on instructional programs
- Emphasize improving achievements for all students, at all levels

Goal 2 Implement practices and procedures that facilitate the district operating in a responsible and cost effective manner.

- Remain transparent and accountable in business/financial responsibilities
- Utilize the RFP/RFQ process
- Explore consortium type purchasing
- Hold regular meetings of the Board's Finance/Transfer Committee
- Pursue additional energy conservation of programs and initiatives

Goal 3 Promote enhanced communications with Board/Town/Community groups.

- Continue efforts to engage members of the community in the schools
- Expand the use of Channel 17 as a communication
- Enhance the Trumbull Public Schools website
- Continue outreach to Town boards and community organizations
- Maintain and establish lines of communication with the public
- Communicate on an ongoing basis with the public on key school programs and operations, such as school mandates and costs

Goal 4 Be active advocates for public education at all levels (local, state and national).
