

Trumbull High School  
Parent-Teacher-Student Association  
Membership Development

Dear Trumbull High School Families,

We would like to welcome you to the new school year at THS, and invite you to join the Trumbull High School Parent-Teacher-Student Association (PTSA) at our annual Back to School Night on Wednesday, September 24th. Just as many of you have supported the PTA in the lower grades, we hope you will choose to continue this worthwhile partnership.

At this time, we want to make a special request for all students to become active in the PTSA. Last year, we were very pleased to see our student membership increase from the previous year. We want you to know that we are interested in your ideas, opinions, and suggestions for the coming year. Please come join us at our meetings. You can check our website for PTSA meetings and other contact information at [www.trumbullps.org/thps/ptsa.htm](http://www.trumbullps.org/thps/ptsa.htm)

The PTSA is very active at Trumbull High School. We co-sponsor Back to School Night, provide funding for the award scholarships to graduating seniors, after school snack program, volunteer opportunities for students and honor mini-grant requests to student organizations. By joining PTSA, you will help us to continue our efforts on behalf of our children.

Membership is \$6.00 per adult and \$6.00 per student. Checks should be made payable to Trumbull High School PTSA (THS-PTSA). Please clip and use the form below to enroll as members. Thank you for supporting the PTSA.

Sincerely,  
PTSA Membership Committee
