Dear Parent(s)/Guardian(s):

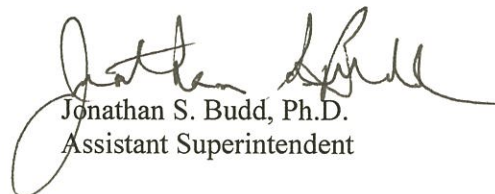

New updates related to our current school closure are below. All prior communications can be found on the TPS website ([www.trumbullps.org](http://www.trumbullps.org)).

- Earlier today, Trumbull Community Television taped a session with Acting Superintendent Iassogna; the session may be accessed at <https://www.youtube.com/watch?v=hp1jCLW3ACo&feature=youtu.be>. The audience of the broadcast is students in grades 6-12.
- Families without devices to access digital content, and/or without Internet access, are urged to contact the District office at 203-452-4336; TPS will provide devices, and/or hard-copy printed packets, as necessary.
- This [IT Request Form](#) can be used for all parents who need technical assistance with digital devices, including repair of an existing Chromebook or password resets; someone from the Technology Department will follow up with you when your request has been fulfilled.
- All distance learning details, for general education and special education students, are posted on the TPS website ([www.trumbullps.org](http://www.trumbullps.org))
- The grades K-5 weekly learning opportunities in art, music, and physical education continued to be expanded; they are available via the TPS website under the “Teaching & Learning” tab, then “K-5 Art, Music, & Physical Education”; [click here for the direct link](#). These opportunities are not mandatory because our primary focus at the moment is the grades K-5 learning in literacy, mathematics, and science; however, we believe that many students and families will find these options in the arts and wellness very enriching at this difficult time, and we recommend them to you.
- For information on meals for students in the Trumbull Public Schools, please see details on the Trumbull Public Schools website ([www.trumbullps.org](http://www.trumbullps.org)).

We are very proud of the hard work of our TPS teachers and staff during the time that is complicated for their own families as well as yours; we are all working very hard as a Trumbull community. Please continue to provide your feedback; we aim to answer all communications within 24 hours. Remember that District updates continue to be posted daily at [www.trumbullps.org](http://www.trumbullps.org).

Sincerely,

  
Ralph M. Iassogna  
Acting Superintendent
