Dear Parent(s)/Guardian(s) of Student Entering Grade 2 or 3:

First, thank you for your support and positive feedback this year on our Writing Workshop initiative; I have been thrilled to have seen, in classroom after classroom after classroom, the fantastic work of our students and teachers loving writing and becoming better at it every single day. Next year, additional Writing Workshop excitement is sure to prevail!

Now, as your son/daughter takes advantage of the summer recess for respite and relaxation, I am pleased to provide you materials to help your son/daughter maintain his/her skills in reading and in mathematics this summer.

These opportunities encompass reading and mathematics and are described fully on the "Summer Enrichment" section of our Trumbull Public Schools website – <https://www.trumbullps.org/techlearn/summer-enrichment.html>.

The opportunities are optional, but we encourage your child to complete the online Summer Reading Log (<https://goo.gl/BRoQRd>) as well as the appropriate mathematics packet. On the reverse, you will find great suggestions for reading titles at your student's grade level.

If you have any questions, please feel free to contact me at any time: 203-452-4336 or buddj@trumbullps.org.

Have a wonderful, relaxing, and rejuvenating summer.

Sincerely,

Jonathan S. Budd, Ph.D.
