

Summer, 2018

Dear Parent(s)/Guardian(s) of Student Entering Grade 2 or 3:

Reading research has shown that reading just a few minutes a day significantly increases a child's reading ability. The suggestions on the next page are chosen to make reading an enjoyable part of your child's life. You can help make summer reading successful by taking a positive attitude and encouraging your child as he/she participates. Feel free to supplement these suggestions with books you and your child enjoy!

The Trumbull Public Library is a great resource for books; please ask the Children's Service Staff for assistance.

At the end of the summer, students should record their progress online:

<https://goo.gl/forms/raxqQL8RPdjsLFXm2>. Completion of the Google Form will also facilitate our District's participation in the Governor's Summer Reading Challenge.

Let's make this our most successful summer of reading ever!

Sincerely,

Terry Buckingham
