Dear Parent(s)/Guardian(s) of Student Entering Grade 4 or 5:

As your son/daughter takes advantage of the summer recess for respite and relaxation, I am pleased to provide you materials to help your son/daughter maintain his/her skills in reading and in mathematics this summer.

These opportunities encompass reading and mathematics and are described fully on the "Summer Enrichment" section of our Trumbull Public Schools website – <https://www.trumbullps.org/techlearn/summer-enrichment.html>.

The opportunities are optional, but we encourage your child to complete the online Summer Reading Log (<https://goo.gl/forms/raxqQL8RPdjsLFXm2>) as well as the appropriate mathematics packet. On the reverse, you will find great suggestions for reading titles at your student's grade level.

If you have any questions, please feel free to contact me at any time: 203-452-4336 or jbudd@trumbullps.org.

Have a wonderful, relaxing, and rejuvenating summer.

Sincerely,

Jonathan S. Budd, Ph.D.
