

Summer Reading 2022

For Students Entering Grades 2 & 3

Summer is almost here and we hope that as you enjoy the sunshine you will take along a good book. Good readers read! So this summer make sure you dive into some stories or learn something new from an informational book. This handout provides you with suggestions of some popular authors, series, and genres to get you started but there are so many choices. Feel free to choose titles that aren't on this list that are a good fit for you. Remember, spending time with books is the only way to become a stronger reader so read on and enjoy your summer. We can't wait to hear all about your reading adventures in the fall!

Award Winners

The Elementary Nutmeg Award is selected annually from a list of fiction and narrative nonfiction titles. Fifteen books are nominated and the winner is selected by students in grades 2-4. For more information on current and past nominees and winners please visit the official Nutmeg website at <http://www.nutmegaward.org/>

Fairy and Folktales

Visit the 398.2 section of the library to look for classic tales that your child may enjoy such as Cinderella, Hansel & Gretel, Paul Bunyan, and Stone Soup. While you're there, be sure to choose some folktales from around the world.

Happy Reading!
