

In a world where digital content has a profound impact on social, emotional and cognitive development, we want to partner with parents to understand the possibilities and problems of life and learning in the 21st century.

Digital Citizenship and Social Media

A Trumbull Public Schools panel discussion of what parents need to know to guide **safe, ethical and savvy students.**

April 25, 2017 | Trumbull High School Auditorium | 7pm

Students in grades 6-12 are encouraged to attend with a parent.

Babysitting is available for pre-school and elementary aged children.

Preregister online at <https://goo.gl/ADnhKd>

Submit your Questions for our Live Q&A Session

Please submit your questions in advance using the link below. We will also take questions during the live event but submitting them in advance will help us determine our focus topics. All questions are welcome and encouraged.
