# School PICKUP Meal

*Trumbull Food Services/Trumbull Public Schools*

- What school can I pick up my child's meals from? (For instance, if I live closer to Tashua, but my child attends Madison, does that matter?) **No, it does not matter, you can pick up meals at any school.**
- If I have children who attend to different schools, do I have to drive to different schools to get their meals? **No, you can pick up their meals at one school.**
- What time can I pick them up? Does it end at 11:00 or at 11:30? **Meals are distributed from 9:30am to 11:00am, but we continue to distribute meals as long as there are cars waiting to be served.**
- Is there an alternative time/place where meals can be picked up if it is difficult for me to pick up during the day? **Yes, parents can call me at 203-452-4500 and I will make arrangements for them to pick up the meals in the morning. I need to consider the bus traffic/parent drop off traffic and check with each principal and security as to the location for this meal pickup.**
- Can I pick up for neighbors/friends? If so, what do you need to make that happen? **Yes, you can pick up for a neighbor at any school. Provide the name of the neighbor/friend; some parents already do that.**
- If my children are in school in person on Monday/Tuesday (and will receive the meals at the school already), should I still pick up the meals on Monday? **No, your child will enjoy their breakfast/lunch in the classroom on those days.**
- If my children are in school in person on Thursday/Friday (and will receive meals at the school already), should I still pick up the meals on Wednesday? **No, your child will enjoy their breakfast/lunch in the classroom on Thursday and Friday BUT you can still come and pick up Wednesdays meals; just tell the food services employee you only want Wednesday breakfast and lunch for your children.**
- What accommodations can be made for children with allergies to food? Should parents ask for "allergy safe" meals? **Parents can call me a few days ahead at 203-452-4500 and I will make arrangements for an allergy safe meal on the days they request them.**
