Pursuant to the Certification of Results of an Election which took place on December 1, 1965 under the auspices of the American Arbitration Association and in accordance with the provisions of Public Act No. 298 of the 1965 Connecticut General Assembly, Connecticut General Statutes Section 10-153b, (1965 as amended), the Board recognizes the Association as the exclusive representative of the certified professional employees of the Board (including, subject to the limitations set forth in Section 3 hereof, those certified employees with employment contracts of fixed duration of not less than a full normal work year) who are employed by the Board in a position requiring a teaching certificate; excluding the Superintendent of Schools, the Assistant Superintendents of Schools, temporary substitutes, certified professional employees who act for the Board in negotiations with certified professional personnel, employees directly responsible to the Board for personnel relations or budget preparation or both, all non-certified employees of the Board and all certified professional employees of the Board who are employed by the Board in positions requiring an intermediate administrator or supervisor certificate or the equivalent thereof.

SECTION 2

The term "Teacher(s)" as used in this Agreement shall be defined as referring only to those certified professional employees of the Board who are included in the unit represented by the Association, as described in Section 1 above, who are not Long Term Replacements as defined in Section 3 hereof.

SECTION 3

Certified employees of the Board with employment contracts of one normal work year or less who are assigned to positions requiring a teaching certificate shall hereinafter be referred to as Long Term Replacements and, notwithstanding any other provision of this Agreement, shall only be included within the Teachers' bargaining unit for purposes of being covered by the following provisions of this Agreement and shall not be covered by any other provision of this Agreement:

- a. Group Health Insurance
- b. Sick Leave
- c. Serious Illness or Death in Family Leave
- d. Personal Business Leave
- e. Jury Duty Leave
- f. Membership Dues/Service Fees

ARTICLE III **NEGOTIATIONS**

This Agreement shall remain in effect during its term and shall not be modified, except as the result of negotiations over proposed modifications which negotiations are consented to by both the Board and the Association. Additionally, any modification of this Agreement must be reduced to writing in the form of an Addendum and signed by the authorized representatives of the parties. Either party shall acknowledge receipt of a request to open negotiations in writing within five (5) working days thereafter. The Board and the Association shall arrange for a mutually satisfactory time and place to discuss such proposal within fifteen (15) days after the receipt of the proposal unless an extension of time is mutually agreed upon.

ARTICLE IV **GRIEVANCE PROCEDURE**

SECTION 1 Definitions

(a) A "Grievance" is hereby defined as any written complaint by a Teacher or a group of Teachers alleging that a specific provision of this Agreement has been misapplied or violated by the Board or by an Administrator acting within the scope of his or her authority.

(b) A "Grievant" is hereby defined as a Teacher or group of Teachers filing a Grievance.

(c) "Day(s)" shall, during the Grievant's normal work year, be defined as normal work days, and, during the period outside the Grievant's normal work year (for example, July and August), be defined as calendar days, excluding Winter/Spring breaks, Saturdays, Sundays and holidays recognized by Board.

SECTION 2 Purpose

The purpose of this procedure is to establish an exclusive method for the processing of Grievances arising during the term of this Agreement as an alternative to employing the tactic of self-help. The proceedings shall be conducted as informally and confidentially as possible.

SECTION 3 Procedure

LEVEL 1 Principal or Immediate Supervisor

The Grievant shall have no more than fifteen (15) consecutive days following the day of the event giving rise to the Grievance within which to submit the Grievance to his or her Principal or, if the Grievant's Immediate Supervisor is not a Principal, to his or her Immediate Supervisor. The Grievant's Principal or Immediate Supervisor shall have no more than ten (10) consecutive days following his or her receipt of the Grievance either to meet with the Grievant to discuss the Grievance or to answer the Grievance or both. If the Grievant is not satisfied with the disposition of the Grievance at Level 1, or if the Principal or Immediate Supervisor does not answer the Grievance within the period specified herein, Grievant may proceed to Level 2, provided Grievant complies fully with the terms and conditions set forth at Level 2. Any resolution of the Grievance at Level 1 will be subject to rejection by the Superintendent and will not be used as precedent or evidence in any other dispute between the Board and a Teacher, group of Teachers, or the Association. If the Superintendent rejects a Grievance resolution reached at Level 1, the Grievant may process the Grievance to Level 2, even if, at the time of the Superintendent's rejection, the time limits for processing a Grievance to Level 2 have expired. In such event, the time limits for processing such a Grievance to Level 2 will begin to run from the date of the Superintendent's rejection.

LEVEL 2 Superintendent

The Grievant shall have no more than five (5) consecutive days following the expiration of the period for the Level 1 response to submit the Grievance to the Superintendent at Level 2. The Superintendent or the Superintendent's designee shall have no more than five (5) consecutive days following the Superintendent's receipt of the Grievance within which to meet with the Grievant or to answer the Grievance or both.

LEVEL 3 Board of Education

If the grievant and/or the Association is not satisfied with the Superintendent's (or his/her designee's) decision, he or she may, within five (5) days after the decision, submit the grievance for appeal with the Board. The Board shall, no later than its next scheduled meeting, meet with the grievant and any representative of the Association for the purpose of hearing the grievance and making a determination in the matter. The Board shall render its decision with the reasons, therefore, in writing to the aggrieved person, with copies to the Association, within five (5) days after such meeting.

Level 4 Arbitration

If the Grievant is not satisfied with the disposition of the Grievance at Level 3, the Grievant may submit a written request to the Association, with a copy transmitted

simultaneously to the Superintendent, to submit the Grievance to Arbitration. The Association may, upon receipt of such request, submit the Grievance to Arbitration, but, if it elects to do so, it must comply fully with the terms and conditions set forth in Level 4.

The Association shall have no more than ten (10) consecutive days following the expiration of the period for the Level 3 response within which to submit the Grievance to Arbitration. The submission to Arbitration must be made as set forth below and will be subject to the following terms and conditions:

1. The submission must be in writing and mailed, by certified mail, return receipt requested, to the American Arbitration Association or the American Dispute Resolution Center in Hartford within the ten (10) day submission period set forth herein. A copy of the submission must be provided simultaneously to the Superintendent.

2. The Arbitrator shall be selected in accordance with the Voluntary Labor Arbitration Rules of the American Arbitration Association or the American Dispute Resolution Center, which shall also govern the conduct of the Hearing.

3. The Grievance, to be arbitrable, must be the same Grievance submitted to the Superintendent at Level 2 and must arise out of and involve the interpretation or application of a specific provision expressed in this Agreement, and it will not be arbitrable if it claims a right, benefit, or obligation not expressly set forth in this Agreement.

4. The Arbitrator's authority will be limited to determining whether, by the allegations contained in the Grievance, either the Board or an Administrator acting within the scope of his or her authority, or both, violated a specific provision expressed in this Agreement. The Arbitrator will not have any authority or power to add to, delete from, expand or modify in any way any provision expressed in this Agreement.

5. The cost of the first four (4) arbitrations in any given 12 month period beginning July 1 and ending June 30 of the following year will be shared equally by both parties. The cost for any further arbitrations in that same year will be borne by the non-prevailing party.

6. The Arbitrator's award shall be final and binding, provided nothing herein shall prevent the Board or the Association from attempting to modify, vacate, or enforce the award in Court.

7. The Arbitration Hearing shall be held in private.

SECTION 4 Representation

a) At any Level 1 discussion with Grievant's Principal or Immediate Supervisor, Grievant may be represented by Grievant's Local Association Representative. The Principal or Immediate Supervisor may be represented or accompanied by any administrator(s)/supervisor(s) of his or her choice.

b) At any Level 2 or Level 3 discussion with the Superintendent, the Superintendent's designee, or the Board, Grievant may be represented by any Association Representative and/or a Representative of the CEA. The Superintendent, and/or his or her designee, or the Board may be accompanied or represented by any person or persons of their choice.

c) At no time shall Grievant be accompanied by more than three (3) representatives at any Level of the Grievance Procedure.

d) The Association may file a Grievance on behalf of a Teacher or group of Teachers, and, in such event (i) the Association shall be the "Grievant" and (ii) the Association shall submit such Grievance directly to the Superintendent at Level 2. Thereafter the Grievance shall be processed in accordance with the procedures set forth herein.

SECTION 5 Time Limits

Any Grievance not initiated or appealed to the next Level of the Grievance Procedure in accordance with the time limits specified herein shall be deemed waived by the Grievant. Failure on the part of the Administration to meet or communicate an answer to the Grievant at any Level of the Grievance Procedure shall permit the Grievant to proceed to the next Level in accordance with the procedures set forth herein. The time limits specified herein may be extended only by written agreement between the Grievant or Grievant's Association Representative and the Administrator at the Level at which the Grievance is pending.

SECTION 6 Grievance Forms

Grievances shall be filed and processed on Grievance forms agreed to by the Association and the Superintendent or his or her Designee.

ARTICLE V **SALARIES**

SECTION 1

a) Salary rates payable to Teachers during the term of this Agreement shall be set forth on the schedules contained on Appendices A-1, A-2, and A-3, attached hereto.

b) The salaries set forth on Appendix A constitute remuneration for all work performed by Teachers during their respective normal work years for which no extra compensation is specifically provided for elsewhere in this Agreement, whether such work is performed during the regular school day or the regular work day or at other times. Such salaries are referred to in this Agreement as the Teachers' "regular pay", respectively.

SECTION 3

If the Board changes the length of the regular school day, the Board and the Association shall, at the written request of either of them, each have a duty to bargain with respect to whether the regular pay for the Teachers directly affected by such change shall be adjusted as a result, and, if so, by what amount. Such bargaining shall be conducted pursuant to and shall be subject to the Teacher Bargaining Act. The Board reserves the right to rescind, within 30 days after receipt of an Award rendered by an Arbitrator or Arbitration Panel convened under the Teacher Bargaining Act in connection with such bargaining, the change or proposed change in the length of the regular school day and, if the Board rescinds the change or proposed change, such Award shall thereby be rendered void and unenforceable.

SECTION 4

Teachers shall be placed on the appropriate step of the salary schedule by the Superintendent, with the following considerations:

4.1 Degree status as defined in Section 5 below.

ARTICLE VI **PAYROLL DEDUCTIONS**

SECTION 1 Membership Dues/Service Fees

1.1 Membership Dues

All Teachers who elect to join the Association shall pay in cash or sign and deliver to the Board and the Association, if they have not already done so, an authorization for the payroll deduction of membership dues of the TEA, the CEA and the NEA. The Board agrees to deduct such dues from the salaries of each of its Teachers who have submitted to the Board written authorization. Said authorization shall continue in effect from year to year unless such Teacher shall revoke such authorization in writing submitted to the Board and the Association in the month of August of any year. If said notice is timely received, the dues for the ensuing work year(s) will not be deducted from the Teacher's salary by the Board, and the Teacher revoking such authorization shall be subject to the service fee requirements set forth in Section 1.2 hereof.

1.2 Service Fee

For those Teachers who have not joined the Association and delivered said authorization card by October first of the first year of this Agreement, and for those Teachers who have revoked their authorization pursuant to Section 1.1 hereof, the Board agrees to deduct from their salaries through payroll deductions any voluntary service fee authorized by such teacher in writing.

1.3 Indemnification

The Association agrees to defend, indemnify and hold harmless the Board against any and all expenses, liability suits or claims which arise under this Article and/or from the Board's action in compliance with the provisions of this Article, including but not limited to withholding

any dues for a Teacher who did not revoke his/her authorization during the month of August and any or all expenses involved in the termination of a Teacher pursuant to this Article.

SECTION 2 Other Deductions

The Board agrees to deduct from the salaries of each of its Teachers who submits to the Board written authorization to do so, monies for one or any number of the following:

- 2.1 Group insurance premiums provided for under Article VII, of this Agreement
- 2.2 Tax sheltered annuity plans approved by the Board
- 2.3 United Way
- 2.4 Waterbury Teachers Credit Union
- 2.5 Connecticut Teacher Retirement Fund
- 2.6 Trumbull Municipal Employees Credit Union
- 2.7 The Board will offer a direct deposit plan to Teacher's bank of choice.

ARTICLE VII **GROUP INSURANCE**

SECTION 1 Group Insurance

1.1 As used in this Agreement, the term “group insurance” shall include the coverage provided under the State Partnership 2.0 Plan, or the equivalent provided by another carrier selected by the Board:

The parties acknowledge that domestic partners are not covered under the State plan.

1.2 1.2 Board’s dental plan or its equivalent will be in effect on or after September 1, 2016. There will be no disruption in coverage.

1.2.1 Group term life insurance coverage in the amount of \$50,000 for each eligible full-time Teacher.

1.3 Participation in the group insurance plans described in this Article shall be voluntary. Teachers who do not signify their desire to participate in said plans on forms provided by the Board shall not be eligible for benefits under said plans.

1.3.1 As long as the employee medical plan is fully pooled and/or community rated, a Teacher can waive his/her medical insurance coverage if he/she submits a written statement to that effect prior to July 1, of any given year; if waived, a Teacher will be given \$1,250 in lieu of family medical coverage; \$875 in lieu of two person medical coverage; \$600 in lieu of single coverage. Also, a teacher who so waives his/her healthcare insurance coverage shall receive such payments commencing the 2016-17 school year. An employee whose spouse is covered under any Board health plan shall not be eligible for the waiver. Payment to those employees waiving one’s health insurance coverage shall be made in two (2) equal installments, October and February.

1.3.2 If a Teacher decides to participate in this program, he/she cannot change his/her coverage during that particular school year and re-enter the Board adopted insurance program. (The only exceptions to this rule is when the employee or his or her spouse or dependent

experiences a Qualifying Event as defined in COBRA, such as: if an individual's spouse were to pass away leaving the employee without coverage; if a spouse were to retire from his/her job without health care coverage for the bargaining unit member; if a divorce/separation were to occur; or if a spouse were to lose a job.)

1.4 Effective September 1, 2020, a 20.0% employee co-pay contribution for the group health plan cost for the plan described above, based upon the level of coverage selected (single, two person, family) will be implemented.

Effective September 1, 2021, a 20.5% employee co-pay contribution of the group health plan, for the plan described above based upon the level of coverage selected (single, two person or family), will be implemented.

Effective September 1, 2022, a 21.0% employee co-pay contribution of the group health plan, for the plan described above based upon the level of coverage selected (single, two person or family), will be implemented.

For the above, "cost" shall be defined as the allocation rate published by the insurance administrator if the plan is self-insured and the premium charged by the provider if the plan is fully insured (for these purposes the Connecticut Partnership Plan shall be considered fully insured using blended rates).

1.5 Eligibility for and the amount of benefits to be paid pursuant to any of the policies purchased in accordance with the provisions of this Article shall be determined by the terms of the particular policies. Disputes concerning eligibility for or the amount of benefits payable pursuant to said policies shall not be subject to the Grievance and Arbitration Procedure contained in this Agreement.

1.6 The Board shall notify a Teacher of any change in said Teacher's insurance coverage, or status when the Board receives such notice from the insurance carrier as the case may be. Teachers shall promptly notify the Board of any change in their personal status which has an effect upon their status or coverage under the insurance plans provided by the Board pursuant to this article.

1.7 In the event the Board decides to change carriers during the term of this Agreement or to self-insure in whole or in part, the Board will provide the same coverage described in the Anthem plan at the time of these negotiations or their equivalent and will give the Association notice of its decision at least ninety (90) days in advance of the implementation; notwithstanding the above, if the Board so elects to leave the Partnership 2.0 Plan, the parties shall enter into mid-term bargaining prior to leaving the plan to have a healthcare plan that is equal to or better on an overall basis to the Anthem, a summary of which is highlighted in Article VII, Section 1.2 of the 2014-2017 collective bargaining agreement, as a starting point for both parties at mid-term bargaining.

1.8 Retirees and their eligible dependents shall be able to continue participation in the district's medical plan. Teachers electing to continue in the district's plan must pay the full cost of the plan and make arrangements with the Business Office to schedule quarterly payments.

1.9 The Board shall continue to work with the Trumbull Education Association, United Healthcare and the providers to bring additional providers into the plan to address the concerns of our bargaining unit members.

1.10 In the event the State imposes a fee, administrative or otherwise, which is included in the cost of the plan or passed on to employees, the Trumbull Education Association may request mid-term bargaining with the Board regarding a change in the healthcare plan or to minimize or eliminate the impact on the bargaining unit members.

1.11 In the event of a change to the healthcare plan as a result of contract negotiations between the State and SEBAC or pursuant to legislation, the Trumbull Education Association may request mid-term bargaining with the Board regarding a change in healthcare plan or to minimize or eliminate the impact on the bargaining unit members.

SECTION 2

The Trumbull Board of Education shall make available on an optional basis at no cost to Teachers a Section 125 Flexible Spending Account for Health Insurance (IRC Sections 105 and 106) and for Dependent Care Assistance (IRC Section 129).

ARTICLE VIII **LEAVES**

SECTION 1 Sick Leave

1.1 Each Teacher shall be credited with fifteen (15) sick leave days in each normal work year and shall accumulate unused sick leave days from year to year up to a maximum of one hundred and ninety (190) sick leave days.

1.2 As used in this Agreement, the term "sick leave day" means a day on which the Teacher is permitted to be absent from work without loss of regular pay because of his/her bona fide illness or medical disability.

1.3 Absences which the Board feels it has reason to believe are not due to bona fide illness or medical disability, such as where the absences are frequent or continuous or demonstrate a pattern, and the absent Teacher makes a claim for a sick leave day or sick leave days for said period of absence, the Board shall retain the right to verify the reason for the absence, including but not limited to, requiring the Teacher to submit a doctor's certificate. In addition, a teacher shall be required to present a doctor's note on the sixth day, after any absence of five (5) or more consecutive days. Where the Board requires the Teacher to obtain a doctor's certificate under these circumstances and the Teacher has not consulted a physician in connection with the alleged illness or disability giving rise to the absence, the Board shall bear the cost of the doctor's charge for the examination, but under no circumstances shall the Teacher be required to submit to a physical examination by a doctor other than one his or her own choice.

1.4 If the medical disability that is the cause for the Teacher's absence is compensable under the Worker's Compensation laws of the State of Connecticut, the Teacher may after the fifth workday missed apply his or her unused sick leave days to each day of such absence on a pro rata basis to make up the difference between the per diem he or she receives as Worker's

Compensation payments and his or her regular daily pay as a Teacher, if any, calculated as of his or her last day worked, up to a maximum of twelve (12) months.

1.5 In any case of absence for which a Teacher applies for sick leave disability benefits the Teacher shall, at the request of the Superintendent or his/her designee (hereinafter referred to as the Superintendent), supply the Superintendent with his/her physician's statement attesting to the nature of the disability and the expected length of the period of disability. Such statement shall be in addition to the notice required pursuant to paragraph 1.8 below and shall be submitted to the superintendent as soon as possible in relation to the beginning of the period of disability and shall be based upon a physical examination of the Teacher by his/her physician at a time not remote from the beginning of the period of disability.

1.6 The Superintendent or his/her designee shall have the right to verify the nature and length of the disability, including but not limited to the appointment of a physician of its own choosing to investigate the matter. The Teacher applying for sick leave benefits shall cooperate with the Board in making such verification, including but not limited to allowing the physician appointed by the Board and competent in the medical area, to consult with the Teacher's own physician and to review whatever records, documents, charts, notes, data or other material that exist relative to the Teacher's illness or medical disability, but under no circumstances shall the Teacher be required to submit to a physical examination by a doctor other than one of his/her choice.

1.7 Teachers hired before June 30, 2007, who at the time of retirement are at least age 55 and have at least 15 years of service in Trumbull Public Schools, shall be paid for accumulated unused sick days in excess of 150. Payment shall be made at the teachers per diem rate, provided however, a teacher receiving a salary equal to or exceeding the MA Maximum in the year of retirement shall be paid at a rate of \$500/day not to exceed \$20,000.

Notwithstanding the above, any payment due a teacher for unused sick pay shall be placed in one of the following two options, the selection of which shall be determined by the Board:

- a. a post-retirement medical expense Trust; or
- b. a 403(b) plan

The foregoing payments shall be paid out in four (4) equal annual payments.

Teachers who announce their retirement effective, prior to November 1 of their retirement year, retire effective June 30, and who enter their final year with 190 days of accumulated sick leave, shall be entitled to the full benefit above provided their absences in that year do not exceed five (5) days.

1.8 Notification

Any Teacher who is medically disabled or who anticipates being medically disabled shall notify the Board of his/her disability or anticipated disability and the expected duration of his/her absence from school resulting there from as soon as possible after he/she learns of the disability or that the disability is anticipated and shall keep the Board apprised of any changes in his/her status in accordance with the following:

1.8.1 If the disability is one that could not have been anticipated, the Teacher shall, as soon as possible after the event giving rise to the disability occurs, notify the superintendent as to the nature of the disability and the expected duration of the disability.

1.8.2 If the disability is one that can be anticipated (i.e., due to pregnancy or medical treatment or an operation which is scheduled in advance), the Teacher shall notify the superintendent of the nature of the disability and the anticipated duration of the disability as soon as possible after the Teacher has learned of the event which will give rise to the disability. Thereafter, the Teacher will keep the Superintendent apprised promptly as to the changes in status or anticipated duration of the disability.

1.8.3 In any case where a Teacher is absent as a result of a disability, the Teacher shall notify the Board as promptly as possible as to the date upon which his/her disability is expected to end and the date upon which he/she desires to return to work. Failure to notify the Superintendent in writing, prior to the termination of his/her disability, of his/her intentions relating to his/her return to work or failure to return to work within a reasonable period after the termination of his/her disability, shall relieve the Board of any obligation of returning the Teacher to active employment. In such cases, the Teacher's failure to act shall be deemed to be a resignation.

1.8.4 Any notification referred to above shall be in writing.

1.9 Return to Work After Period of Disability Has Ended. All Teachers absent as a result of a disability shall return to work within a reasonable period of time after the end of their disability provided that:

1.9.1 If, in the opinion of the Board, the end of the Teacher's period of disability or the date upon which the Teacher desires to return to school falls at a time in the pupil achievement reporting period which would be disruptive of the continuity or flow of education for the pupils involved, the Board may delay the Teacher's return to work until the beginning of the next succeeding pupil achievement reporting period; however, any such extension of a Teacher's absence beyond the period of disability shall be with pay only if Teacher has sick leave available. If the Board does not delay the Teacher's return to work, said Teacher may return to his/her regular teaching position or be assigned to another teaching position, including substituting at the Teacher's regular rate of pay, that the Board, in its discretion, may deem appropriate until the end of the marking period or if after April 1, at the end of the school year. At that time, said Teacher will return to his/her regular teaching assignment.

1.9.2 If the Teacher desires to extend his/her absence beyond the period of disability in order to have time to put his/her personal affairs in order, the Board may grant the Teacher's request to do so for a reasonable period not to extend beyond the beginning of the next succeeding pupil achievement reporting period, and the Board shall not unreasonably withhold a request by a Teacher for such additional leave, provided further, however, that any additional leave beyond the period of disability shall be without pay and without the application of accumulated sick leave benefits.

1.10 In all cases of absence due to disability, the Teacher shall, prior to returning to work, submit to the Superintendent a written statement by the Teacher's physician attesting to the fact that the disability has been terminated and the Teacher is fit to return to work. The Board shall have the right to verify such a statement in the same manner as provided in paragraph 1.7.

1.11 Nothing herein shall require the Board to pay "sick leave" benefits to any Teacher beyond his/her period of disability, regardless of the length of his/her period of absence; nor shall the provisions be construed so as to permit a disabled Teacher to return to work prior to satisfying the Board that his/her disability has been removed and he/she is physically able to resume his/her duties.

SECTION 2 Serious Illness or Death in Family

2.1 For each death in the Teacher's immediate family (parent, grandparent, sibling, spouse, child, step-child, step-parent, parent-in-law, brother and/or sister-in-law, and grandchild) a Teacher may be absent for up to five (5) normal work days without loss of regular pay.

2.2 For serious illness of a member of the Teacher's immediate family for whom the Teacher has custodial responsibility, a Teacher may be absent for up to ten (10) normal work days without loss of regular pay, after which said absences shall be charged to accumulated sick leave. 3.2 The "personal business" referred to herein may include such compelling events as religious holidays, attendance at the Teacher's own graduation or the graduation of members of his/her immediate family (as defined in Section 3 hereof), attendance at his/her own wedding or the wedding of a member of his/her immediate family (as defined in Section 3 hereof), legal business that cannot be conducted outside of the normal work day the death or illness of a Teacher's relative not from Teacher's immediate family and for whom the Teacher does not have custodial responsibility, or some other similarly compelling reason, but shall not include extension of a vacation or holiday period, an accommodation of travel plans connected with a vacation or holiday period, and shall not be taken the last ten (10) days of the school year or on consecutive days unless special permission is granted by the Superintendent. Accordingly, these days shall not be used on the Teacher's last scheduled work day before or his/her first scheduled work day after a vacation or holiday (except for single religious observations as to which the Teacher shall give prior notice, oral or written, to the building administrator) except under the most compelling circumstances, and then only with the approval of the Superintendent. SECTION 5 Jury Duty

Any Teacher who is required to serve on a jury before a state or federal court shall be granted leave for this purpose and such leave shall not be deducted from sick leave or personal days. Such Teacher shall receive a rate of pay for each day of jury service equal to the difference between his/her then current applicable salary calculated on a per diem basis and the pay he/she receives from the court as jury pay. In order to qualify for this pay the Teacher shall notify the Superintendent immediately and in writing when he/she is notified that he/she is required to report for jury duty.

SECTION 6 Adoption Leave

6.1 Any Teacher adopting a child shall be entitled upon written request to the Superintendent of Schools to twenty (20) days paid leave, said leave, to be deducted from sick leave. 7.8 Upon returning from such leave, the Teacher will be assigned to the position occupied as of his/her last day worked or to another position for which he/she is qualified in the judgment of the Board;

7.9 Notwithstanding any other provision of this Agreement, a Teacher granted a leave of absence shall not be exempt from the operation of the layoff procedures set forth in this Agreement; and

7.10 Any such leave shall not be considered as an interruption of service for seniority purposes under Article X of this Agreement.

The quality of instruction, as with non-tenured Teachers, shall be a factor in the retention of tenured Teachers who are certified to teach in the same curriculum areas, subject, level or program.

6.1 Teachers shall be recalled in reverse order of layoff for new position openings for which they are certified and qualified provided they do not lose their recall rights as defined in Section 7.

1.2.2 Un-enumerated Rights: The listing of specific rights in subsection (1) of this section is not intended to be all inclusive, restrictive or a waiver of any rights of the Board not listed which have not been expressly and specifically surrendered herein.

SECTION 2 Records

2.1 Each Teacher certified by the State Board of Education and employed by the Board shall be entitled to knowledge of and access to supervisory records and reports of his/her competence, personal character and efficiency maintained in his/her personnel file with reference to evaluation of his/her performance in Trumbull.

2.2 All records related to a Teacher's performance in this system shall be maintained in the school to which said Teacher is assigned.

The Teacher may submit a written notation regarding the material, and the same shall be attached to the file copy of the material in question. If the Teacher is asked to sign material

placed in the Teacher's file, such signature shall be understood to indicate his or her awareness of the material, but in no instance shall said signature be interpreted to mean the Teacher's agreement with the content of the material.

b. A Teacher has the right to have a representative of the Association accompany him/her on any review of his/her personnel file.

SECTION 3 Severability

In the event that any provision or portion of this Agreement is ultimately ruled invalid for any reason by an authority of established and competent legal jurisdiction, the balance and remainder of this Agreement shall remain in full force and effect.

SECTION 4 Copies of Agreement

The Board shall provide an electronic copy of the new agreement on the website and hard bounded copies to the Trumbull Education Association Leadership, including all building representatives, and one to each teacher hired during the term of this Agreement.

SECTION 5 Individual Employment Contracts

5.1 Individual Employment Contracts will be issued upon initial employment. Thereafter, for each succeeding year of continuous employment, the Board will only be required to issue Notification of Assignment and Salary.

5.2 The provisions contained in Individual Employment Contracts and Notifications of Assignment and Salary shall not conflict with the terms and conditions of this Agreement. In the event such a conflict arises, the terms and conditions of this Agreement shall supersede the terms and conditions of the Individual Employment Contract and Notification of Assignment and Salary.

ARTICLE XV
DURATION
