STUDENT ACCIDENT INSURANCE PROGRAM

Policy Statement

The Trumbull Board of Education offers all students optional accident insurance for the protection of themselves and their parents. Membership in a group accident insurance program will be made available to all students each year. In arranging for this insurance, the Board will make every reasonable effort to contract with a company offering comprehensive insurance at economical rates. Parents may access this application on the Trumbull Public Schools website at www.trumbullps.org.

Purchase of a selected accident insurance program will constitute an agreement between the student/parent and the contracted insurance company, not between the student/parent and the Board of Education and/or school.

This student accident insurance program is separate from the required insurance for student athletes.
