GUEST SPEAKERS

Policy Statement

The instructional program may be enriched by supplementing classroom activities with external resources and visits from speakers and guests. All classroom visits which are part of the instructional process must be reviewed and approved by the Principal of the school prior to the visit. Because they will be working with students, guest speakers are considered Tier I volunteers, and must abide by Board of Education Policy 1212.1, "Volunteers."

Adopted: 3/6/1984
