Coordinator of STEM K-8

Liz Tavares
Department Chairperson for English Language Learners K-12

March 20, 2020

Dear Parent(s)/Guardian(s):

New updates related to our current school closure are below. All prior communications can be found on the TPS website (www.trumbullps.org).

- Earlier today, Trumbull Community Television taped a session with Christina Hefele, Director of Digital Learning, and me; the session focused on additional goals and methods of our distance learning plan, and may be accessed at <https://www.youtube.com/watch?v=PoF6vfsGtP4&feature=youtu.be>. Please e-mail any questions you would like us to address in future broadcasts.
- All distance learning details, for general education and special education students, are posted on the TPS website (www.trumbullps.org).
- Families without devices to access digital content, and/or without Internet access, are urged to contact the District office at 203-452-4336; TPS will provide devices, and/or hard-copy printed packets, as necessary.
- Families who need repair of an existing Chromebook can complete this [IT Request Form](#); someone from the Technology Department will follow up with you when your request has been fulfilled.
- The Nursing Department returned today at Trumbull High School all student medication that had been left in Nurses' Offices. Parents/guardians still in need of medication should contact Lynn Steinbrick, Town Director of Nursing, at lsteinbrick@trumbull-ct.gov, for potential future pickup options.
- For information on meals for students in the Trumbull Public Schools, please see details on the Trumbull Public Schools website (www.trumbullps.org).
- Today, the College Board released information related to cancelled March and May SAT tests and potential future testing opportunities (<https://pages.collegeboard.org/natural-disasters>), as well as information related to changes in this year's Advanced Placement Examination, including that exams this year will be in a 45-minute online free-response format at home (<https://apcentral.collegeboard.org/about-ap/news-changes/coronavirus-update>). Next week, we will provide Trumbull High parents/guardians/students more information related to these topics.

Our TPS teachers and staff are navigating, with their own families, the complexities of the changing landscape as you are; please be patient as our distance learning unfolds. Please also continue to provide your feedback; we aim to answer all communications within 24 hours. Remember that District updates continue to be posted daily at www.trumbullps.org.

Sincerely,

Ralph M. Iassogna
Acting Superintendent

Jonathan S. Budd, Ph.D.
Assistant Superintendent
