Dear Parent(s)/Guardian(s):

New updates related to our current school closure are below. All prior communications can be found on the TPS website (www.trumbullps.org).

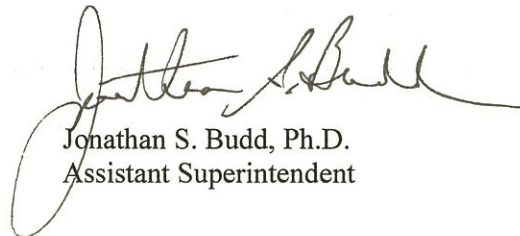

- Families without devices to access digital content, and/or without Internet access, are urged to contact the District office at 203-452-4336; TPS will provide devices, and/or hard-copy printed packets, as necessary.
- This [IT Request Form](#) can be used for all parents who need technical assistance with digital devices, including repair of an existing Chromebook or password resets; someone from the Technology Department will follow up with you when your request has been fulfilled.
- All distance learning details, for general education and special education students, are posted on the TPS website (www.trumbullps.org)
- Beginning today, we are pleased to offer grades K-5 weekly learning opportunities in art, music, and physical education via the TPS website under the “Teaching & Learning” tab, then “K-5 Art, Music, & Physical Education”; [click here for the direct link](#). These opportunities are not mandatory; however, we believe that many students and families will find these options in the arts and wellness very enriching at this difficult time.
- Parents/guardians in need of student medication left in Nurses’ Offices should contact Lynn Steinbrick, Town Director of Nursing, at lsteinbrick@trumbull-ct.gov, for potential future pickup options.
- For information on meals for students in the Trumbull Public Schools, please see details on the Trumbull Public Schools website (www.trumbullps.org).

Thank you for your support of our TPS teachers and staff during this complicated time. Please also continue to provide your feedback; we aim to answer all communications within 24 hours. Remember that District updates continue to be posted daily at www.trumbullps.org.

Sincerely,

Ralph M. Iassogna
