May 1, 2020

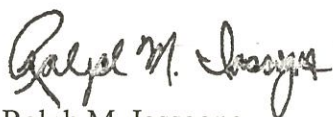

Dear Parent(s)/Guardian(s):

This May Day letter includes the latest updates from our office related to our current school closure.

- A link to a video/audio recording of the April 28, 2020 Board of Education meeting has been placed on the TPS website; [the recording can be accessed directly by clicking here](#). The presentation used during the meeting has also been placed on the TPS website, [and can be accessed directly by clicking here](#).
- Yesterday, Trumbull Community Television taped a session with Interim Director of PPS, Dr. Kim Hapken, and me to discuss distance learning for students with special needs. [The session may be accessed by clicking here](#).
- This week we have released our fifth edition of our [Distance Learning Parent Newsletter](#). This edition provides useful information on using Google Keep for note taking and organization, using Read&Write for Google at the elementary level, helpful hints for organizing a student's Google Classroom, and tips on the best way to see which assignments are due in Google Classroom.
- Today is National School Lunch Hero Day. Our Trumbull food services workers, led by Director Betty Sinko, are indeed heroes! Every weekday since our schools closed in March, they have provided nutritious breakfasts and lunches to hundreds of students each day. If you wish to thank Betty and her staff, please send an e-mail to bsinko@trumbullps.org. If you would like to find out more about this free food service, [please click here for the details on our TPS website](#).
- And today is also National School Principals' Day. The Trumbull Public Schools could not succeed without all our outstanding school principals and assistant principals. Please join us in thanking them also for a job well done, especially during these challenging circumstances for us all.

Our primary wish for all is that May brings health, safety, and comfort. Please contact us with any questions or concerns you may have.

Sincerely,

Ralph M. Iassogna
Acting Superintendent
