Dear Parent(s)/Guardian(s):

This letter includes the latest updates from our office related to our current school closure.

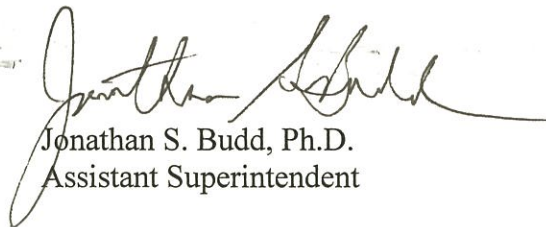

- A Regular Meeting of the Board of Education will be held on Tuesday, May 26, at 7:00 p.m. via audio/video conferencing. Please click here for the agenda and supporting documentation; the agenda includes details on how to access the Meeting, and how to provide comments to the Board.
- Yesterday, Trumbull Community Television taped a session that included Director of Digital Learning Christina Hefele and two of Trumbull's outstanding teachers who have led professional development for their colleagues on using live video for distance learning: Kory Buswell (Frenchtown ES kindergarten teacher) & Michaela Durand (Madison MS technology integration specialist). Please click here to view the broadcast.
- Please click here for the details sent on May 20, 2020, related to students' retrieval of property that was left in school buildings prior to the closure of school. Principals will be distributing school-specific schedules based on these details.
- Based on new updates related to the restrictions of Executive Orders, and other federal, state, and local guidelines, we anticipate announcing details related to end-of-year ceremonies next week.

We join you, this long weekend, in honoring those who died while serving in the armed forces to protect our country over the years. We also wish you relaxation, safety, and health.

Sincerely,

Ralph M. Iassogna
Acting Superintendent
