Dear Parent(s)/Guardian(s):

This letter includes the latest District updates related to our current school closure.

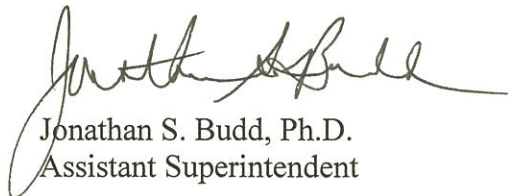

- Today is National Teacher Appreciation Day. One thing distance learning confirms for us is how valuable our teachers are to our children. We encourage you to join us in thanking all our teachers and staff for their continued hard work on behalf of Trumbull children!
- Today, Trumbull Community Television taped a session with Christina Hefele, Director of Digital Learning, and me to discuss the use of recorded video and live video during our Phase 2 Distance Learning Plan. [The session may be accessed by clicking here.](#)
- Based on Governor Lamont's announcement, our schools are now closed through the end of this school year. We will announce various operational impacts over the upcoming weeks. For example, principals will be announcing plans for appropriate end-of-year ceremonies that will allow us to celebrate the accomplishments of our students within social distancing requirements. Trumbull High School students and families will be receiving separate information from Principal Marc Guarino about a survey to solicit their input on various options.
- New student registration for the 2020-21 school year, including Kindergarten registration, will move to online registration. [Parents/guardians should visit the "Student Registration" site on the TPS website for more details; you may also click here for the direct link.](#) For our proper planning, we encourage parents/guardians who have not already registered their children for new enrollment in Trumbull Public Schools to begin this online process as soon as possible.

We continue to appreciate your support. Please contact us with any questions or concerns you may have.

Sincerely,

Ralph M. Iassogna
Acting Superintendent
