

**IMPORTANT INFORMATION
FROM THE TRANSPORTATION DEPARTMENT
REGARDING 2018-2019 SCHOOL BUS ROUTES**

Dear Parents/Guardians,

As a reminder, the 2018-2019 school bus routes for all Trumbull schools will be available on August 15, 2018 via our website, www.trumbullps.org. In the event that you do not have access to the internet, please note that all bus routes will also be available at your child's school as well as in the Transportation Department located in the Long Hill Administration Building, 6254 Main Street, Trumbull.

We are pleased to announce that effective July 1, 2018, our new transportation provider is Durham School Services. As a leader in school bus transportation, we look forward to their safe, dependable and on-time transportation of our district's students. Our staff, along with Durham School Services, has been working diligently on this transition to ensure that everything runs smoothly. A new feature that will be provided this year will be a web-based GPS student tracking App which provides parents the ability to view their child(ren)'s current bus location and information about the route. An update will follow with additional details regarding this new feature, including instructions for downloading and using the application.

If you have any questions or concerns, please contact our office at (203)452-4321.

Thank you,
The Transportation Department
